IMPORTANT NOTICES

- It is the responsibility of each applicant to the programme to ensure that they have read, and fully understand the Terms and Conditions of the Better Energy Homes programme as set out in this document before submitting a signed application form. Failure to fully adhere to the provisions of the Terms and Conditions may result in application refusal, grant revocation, payment request refusal or grant claw back, depending on the particular status and stage of the grant (the 'Grant').
- Applicants may be selected as part of a sample verification and/or technical inspection process to ensure that grant aided works have been carried out and to the required specification. Where selected, applicants are required to grant access to their home for inspection within a specified period, failure of which may lead to grant refusal or grant claw back.
- SEAI accepts no liability or responsibility, whether for breach of contract, negligence or otherwise, in respect of any claim or cause of action arising out of, or in relation to, any equipment, product, work, system or installation in respect of which grant approval was given by SEAI.
- The terms and conditions of the Better Energy Homes programme will be revised periodically. Check the SEAI website (www.seai.ie) or call our contact centre

I have read and accept all of the Terms and Conditions above

I would like to hear from SEAI about other grants which may interest me, information about energy efficiency and to participate in surveys. I understand that I can opt to stop receiving these communications at any time.
